

# Cary Brothers - Belong

tom:

Intro: C F Am F

C  
Wake up lonely with you by my side  
F  
One more night it doesn't feel  
C  
There are movies playing in your eyes  
F  
You dream of our fortunes

Am  
But you're wrong  
F  
I don't belong to you

C  
The moon is the only friend I have outside  
F  
One more drink and I'll be healed  
C  
I told you the words and then knew it was a lie  
F  
I wish I could offer an appeal

Am  
You're wrong  
F  
I don't belong  
Am  
You're wrong  
F  
I don't belong to you

( C F Am F )

C F Am  
What I'd give for that first night when you were mine  
F  
You were mine

C F Am F  
Tried with all that I have to keep you alive, alive

C  
I wasn't taught this way  
F  
With a thousand things to say  
Am F  
I was born with a broken heart

C F Am  
What I'd give for that first night when you were mine  
F  
Thought you were mine

C  
So I'll put this cigarette to bed  
F  
Pull some sheets from off your side  
C  
I put my arm around you safe in the night  
F  
Still dreaming of fortune

Am  
But you're wrong

F  
I don't belong

Am  
You're wrong

F  
I don't belong

Am  
You're wrong

F  
I don't belong

## Acordes
