

# Cascada - Another You

Tom: Gb

{intro - Piano}

VERSE 1

Gb Db  
So many times I was alone I couldn't sleep

B Gb  
You left me drowning in the tears of memory

Gb Db  
And ever since you've gone, I found it hard to breathe

(Db ) B Gb  
Cause there was so much that your heart just couldn't see

Gb Db B Gb (Db )  
A thousand wasted dreams rolling off my eyes

Gb Db B Db  
But time's been healing me and I say goodbye  
Gb Db  
Cause I can breathe again, dream again

Ebm Db  
I'll be on the road again

B Gb Db  
Like it used to be the other day  
Gb Db

Now I feel free again, so innocent

Ebm Db B Db Ebm  
Cause someone makes me whole again for sure

B Gb  
I'll find another you

VERSE 2 (same chords as nr 1)

Could you imagine someone else is by my side  
I've been afraid he couldn't keep myself from falling  
My heart was always searching for a place to hide  
Could not await the dawn to bring another day  
Your not the only one so hear me when I say  
The thoughts of you that just fade away

Chorus

INTERLUDE

B Db Gb Db  
Sometimes I see you when I close my eyes

B Db  
You're still apart of my life...
