

# Cascada - Bad Boy

Tom: G

Remember the feelings, remember the day  
My stone heart was breaking. My love ran away  
This moment I knew I would be someone else  
My love turned around and I fell

Be my bad boy, be my man. Be my week-end lover. But don't be my friend  
You can be my bad boy but understand  
That I don't need you in my life again  
Won't you be my bad boy, be my man. Be my week-end lover  
But don't be my friend  
You can be my bad boy but understand  
That I don't need you again  
No I don't need you again

You once made this promise to stay by my side  
But after some time you just pushed me a side  
You never thought that a girl could be strong  
Now I'll show you how to go on

Be my bad boy, be my man. Be my week-end lover. But don't be my friend  
You can be my bad boy but understand  
That I don't need you in my life again  
Won't you be my bad boy, be my man. Be my week-end lover  
But don't be my friend  
You can be my bad boy but understand  
That I don't need you again  
No I don't need you again
