

Cascatinha e Inhana - Fronteira

Tom: C

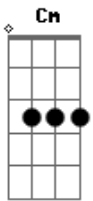

Eu guardarei comigo
 Por toda a minha vida
 As últimas palavras
 Da triste despedida
 Deixei a fronteira
 No Paraguai chorando
 E vim pra muito longe
 O seu nome chamando
 Vem fronteira, vem
 Meu coração te chama
 Vem matar as saudades
 De quem tanto te ama

Ao passar a fronteira
 Brasil e Paraguai
 Teus olhos fronteira
 Eu não verei jamais
 E hoje aqui distante
 Recordo aquele dia
 Que a linda fronteira
 Chorando assim dizia
 "Brasilerito vuelva
 Que yo tanto ti quiero
 Se tu no volverás
 Di gran dolor mi muero"
 Vem fronteira, vem
