listening to Marvin Gaye

Now I woke up on sunday afternoon  
I had to drive back, I was hoping I would see her soon  
Something about the way she looked at me  
She keeps playing in my head like a broken record on repeat  
Everyone needs something, everyone wants love  
She's lying in my bed in just her underwear  
She's laughing at the words I say  
Yeah, we're kissing and we're touching  
Underneath the covers, listening to Marvin Gaye  
I hear her whisperin' I love you  
Right before I fall asleep  
A boy can dream, dream, dream  
A boy can dream, dream, dream  
A boy can dream, dream, dream  
A boy can dream, dream, dream  
If only I had her number, I know later on tonight  
She'd lying in my bed in just her underwear  
She'd laughing at the words I say  
Yeah, we're kissing and we're touching  
Underneath the covers, listening to Marvin Gaye  
I hear her whisperin' I love you  
Right before I fall asleep  
A boy can dream, dream, dream  
A boy can dream, dream, dream  
I met her on the day of new years eve...
