

# Cashmere Cat - Trust Nobody (feat. Selena Gomez & Tory Lanez)

Tom: Bb

I'ma tell you how I want it  
 Baby tell me how you need it  
 Hope you're good at keeping secrets  
 See/Said you're good at keeping secrets  
 See/Said you know I don't trust nobody  
 I know you don't trust nobody  
 Said only I could touch your body  
 So baby you know, I know, you know, I don't  
 You know I don't trust nobody  
 You know I don't trust nobody  
 Said only I could touch your body  
 Yeah only I could touch your body  
 Cause only you know, I know, you know, I don't  
 You know I don't trust nobody  
 Baby, come though on a late night creep  
 Pull up on you like, beep, beep, beep, beep, beep (skrr, skrr)  
 Now you know now I'm in the back, tinted windows sittin' in the back, see  
 You know I'm a freak right? Yo, yo  
 Hit you on a free night, yo, yo, yo  
 I know what you keep tight, yo, yo  
 You don't wanna leave right? Yo, yo yo  
 You don't wanna stay a little late?  
 I can be the ting on your waist  
 Hit you when you need a little taste  
 Better watch my back  
 I'ma tell you how I want it  
 Baby tell me how you need it  
 Hope you're good at keeping secrets  
 See/Said you're good at keeping secrets  
 See/Said you know I don't trust nobody  
 I know you don't trust nobody  
 Said only I could touch your body  
 So baby you know, I know, you know, I don't  
 You know I don't trust nobody  
 You know I don't trust nobody  
 Said only I could touch your body  
 Yeah only I could touch your body  
 Cause only you know, I know, you know, I don't  
 You know I don't trust nobody

You know I don't trust nobody  
 Said only I could touch your body  
 Yeah only I could touch your body  
 Cause only you know, I know, you know, I don't  
 You know I don't trust nobody  
 I pull up in that Jag, I'm not just anybody  
 I'm tryna holla back, even though I know you know  
 I don't trust nobody, I don't trust nobody  
 But if I touch your body, we'll get right, right in your lobby  
 Come on down, let's get down, I'm with the shit  
 Are you down? Cause I'm down, this shit get lit  
 And you got a body like Selena in them jeans (haha) I wanna hit  
 I'm so off and gone, talk that shit  
 You must be somebody, cause I don't trust nobody  
 But if I touch your body, I might trust somebody, yeah  
 You must be somebody, cause I don't trust nobody  
 But if I touch your body, I might trust somebody, yeah  
 You must be somebody, cause I don't trust nobody  
 But if I touch your body, I might trust somebody, yeah  
 You must be somebody, cause I don't trust nobody  
 But if I touch your body, I might trust somebody, yeah  
 I'ma tell you how I want it  
 Baby tell me how you need it  
 Hope you're good at keeping secrets  
 See/Said you're good at keeping secrets  
 See/Said you know I don't trust nobody  
 I know you don't trust nobody  
 Said only I could touch your body  
 So baby you know, I know, you know, I don't  
 You know I don't trust nobody  
 You know I don't trust nobody  
 Said only I could touch your body  
 Yeah only I could touch your body  
 Cause only you know, I know, you know, I don't  
 You know I don't trust nobody
