

# Cassiane & Jairinho - O Tempo Não Pode Apagar

tom:

Intro: Cm7 F F Bb  
Bb Bb Bb

O tempo não pode apagar  
Nem as ondas do mar levar pra longe  
Tudo que nos aconteceu foi um plano de Deus  
Arquiteto do amor

Sei que não é tão fácil viver a dois

Se há flores na estrada, há espinhos também

O que mais me conforta é saber que o amor

Nunca vai acabar

O tempo não pode apagar nosso amor

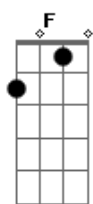

Eu irei contigo para onde for

As muitas águas não poderão afogar

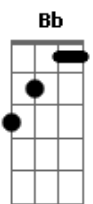

O que Deus uniu não vai acabar

[Solo] Cm7 F Bb Bb  
Bb Bb Bb
