

# Cassiane - Sementes da Fé

Tom: F

Intro: Dm Am Bm Dm

Dm Gm C F C

Nos braços do Pai, eu vou repousar e crer nas promessas de Deus para mim,

E com oração eu irei plantar sementes da fé,  
Dm Gm C F C

E o meu louvor será como adubo, fará com que os frutos, comecem crescer,

E as minhas lágrimas serão pra regar sementes da fé.

Se tentaram apagar tudo aquilo que Deus prometeu,  
Gm C F C Dm Gm C

E feridas se formaram sobre ti,  
Saiba que Deus de ti não esqueceu, Ele atende o teu pedido,  
Você plantou e um novo tempo à ti chegou,

Gm C F C

Pode adorar e exaltar ao Rei dos reis, porque hoje Ele traz à você,

Traz a cura, traz avivamento, traz solução,  
Gm C F C Dm

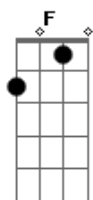

Tudo que pediu e esperou, receba agora em tuas mãos,

Pode colher que os frutos da fé agora brotaram.
