

# Cassiano Menke - Deus É a Resposta

tom: Em

Em

Olha o dia amanhecendo

Sente o sol te aquecer

Toca a rosa mais bonita

Em ti o teu próprio ser

O cantar de um passarinho

A imensidão do mar

0 universo e as estrelas

Tudo isso faz pensar

Será que tu não percebes de onde tudo isso vem?

Não precisas te perguntar a resposta tu já tens

Se buscares com tua alma teus caminhos sentido terão

E verás todo esse mistério respondido em teu coração

Uhh em teu coração

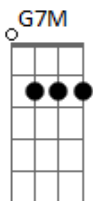

Uhh em teu coração

Deus é a resposta
