

# Cássio Gava - Cadeira

tom:

G

G

Das árvores altas, a queda, a madeira  
(Imóvel sem braços pra se amparar)

Do braço, a firmeza da serra atenta  
O preciso corte que a régua não dá

O prego, o martelo: namoro e faísca  
A lixa, o verniz, os aplausos gerais

Prontinha a cadeira pra orgulho do artista  
Que cheio de humor tão aquoso na testa

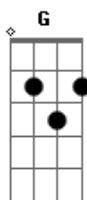

D Eb

Se presta a sentar

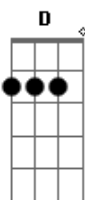

E feita, perfeita  
Ereta, tão cômoda  
Inquieta espera a cadeira o peso do homem  
Pra se espatifar!

E feita, perfeita  
Ereta, tão cômoda  
Inquieta espera a cadeira o peso do homem pra se espatifar!  
Pra se espatifar!
