

Cássio Gava - Gota d'água

tom:

D

D7M G7M Gbm7 B7

Foi pura, pura, pura a água que regou o mundo

E fez nascer a velha árvore

Que fez nascer o fresco fruto bom

Que fez nascer semente

Que fez laranjas e maçãs

Mamonas, uvas, hortelãs

E fez também raízes, troncos, galhos, folhas, flores

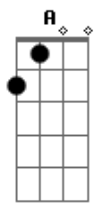

As flores coloriram

As folhas coroaram

Os galhos penduraram mil micos-leões-dourados

Dourado como faz o sol
