

Cássio Gava - Tango Gauche

tom:

Gm

Gm

Gauche

Você nem vacilou

Tão cedo decretou

O fim do nosso amor

Gauche

Eu quase capotei

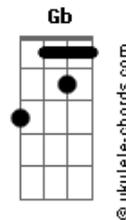

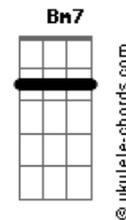

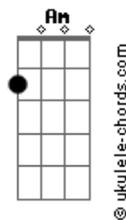

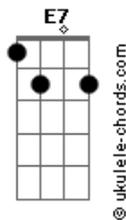

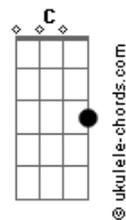

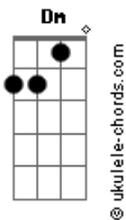

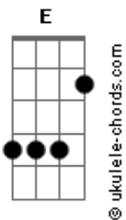

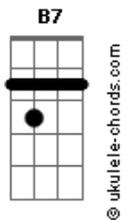

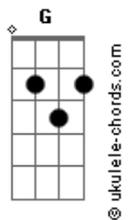

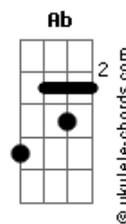

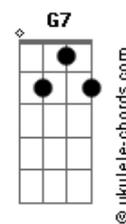

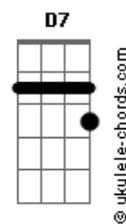

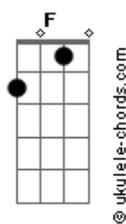

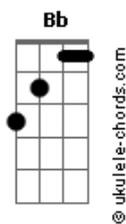

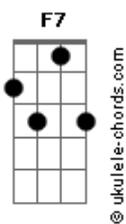

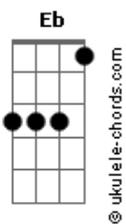

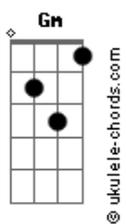

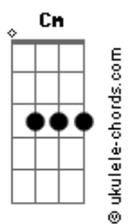

No impulso de abraçar

Me afasto de você

Gauche

Eu sei me defender

Acordes

Num verso de Drummond

Do adeus de uma mulher...

Pode acender as luzes todas
Do cabaré!

Dançando nos andaimes

Girando pelos becos

Cantando no deserto

Enfrento o seu olhar

Talvez você me estranhe

Não saio com tristeza

A orquestra ataca um blues

E eu no meu tango gauche!
