

Cássio Gava - Toada

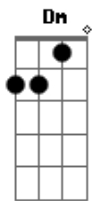

tom:

Quando a onda vem
 e derrama o mar na areia
 Quando a onda vem
 e derrama o mar na areia
 eu lembro teus olhos de mar
 me acenando de lá
 içando velas pra bem longe de mim
 noite
 tela escura
 quero já velejar

nave ver navegar

mas se você me aparecer
 na lua cheia
 se você me aparecer
 na lua cheia
 eu quero te ver chegar
 azul como Iemanjá
 trazendo manto e colar pra me cobrir
 noite
 tela escura
 quero já velejar
 nave ver navegar
