

Cássio Marcelo - Mirror

tom:
 Bb (forma dos acordes no tom de C)
 Afinação: D G C F A D

Mirror! Rearview of the soul!
 You look at yourself, you see yourself
 You show yourself, you really see yourself

In the mirror (you are you)
 In joy, you shine
 You are the light that radiates

In the mirror (you are you)

Acordes

In sadness, bitterness overshadows
 The paleness shines the blurry vision
 In the mirror you are you

So what can the mirror do?
 Target yourself, face your soul
 Face yourself and give thanks
 Because the mirror is just to see
 But who really solves it
 In the mirror is you!
