

# Cássio Marcelo - Serra

tom: D

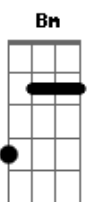

Serra é o caminho do velho e do novo  
 Serra que abriga em teus pés o seu povo  
 Quando diziam que Deus-te-livre não viam a beleza ao passar por ti  
 Admirar o seu ouro tão branco, o real tesouro do império... é aqui

Am7 D7 G A7 Gbm11 Bm  
 Suas estradas vermelho-amor, fazem o caminho mais real  
 Bm G A7 Gbm11 Bm  
 As suas pedras azul paixão, se tornam cores na canção  
 E7 Aadd9  
 Canção que nos traz paz  
 Gm A7 D Am7  
 Vista que nos refaz  
 D7 G A7 Gbm11 Bm  
 Por sobre ti vejo a vida nesta remota soledade  
 Bm G A7 Gbm11 Bm  
 Vejo a esperança escondida nos horizontes, na saudade  
 E7 Aadd9  
 Vista que nos traz paz  
 Gm A7 D  
 Canção que nos refaz
