

Casting Crowns - Face Down

Tom: D

Verso 1:

I try to find a new way to tell you
 Some way to show you what you mean to me
 There's nothing new
 I exhaust myself searching
 The world just keeps turning
 What else can I do
 I find myself empty and

Refrão:

Face down
 Having nothing else to cling to
 But need of love that only you can give
 Face down
 Where I know that I belong
 And I pray with grace that this world sees in me
 Someone humbled and broken at your feet

Verso 2:

I stand amazed, see the work of your hands
 Still I don't understand why you would rescue me
 An empty cross
 Where you suffered and bled
 Overcoming my death
 Recreating me
 Someone humbled and broken at your feet

With this freedom I will be

Refrão:

Face down
 Having nothing else to cling to
 But need of love that only you can give
 Face down
 Where I know that I belong
 And I pray with grace that this world sees in me
 Someone humbled and broken at your feet

So I'm asking for your help
 Just can't do this by myself
 After all, this life's for you and not for me
 Through your mercy now I see
 Brokenness is what I need
 So I'll stay right here at your feet
 Right here at your feet and

Refrão:

Face down
 Having nothing else to cling to
 But need of love that only you can give
 Face down
 Where I know that I belong
 And I pray with grace that this world sees in me
 Someone humbled and broken at your feet
