

# Casting Crowns - Face Down

Tom: D

Verso 1:

I try to find a new way to tell you  
 Some way to show you what you mean to me  
 There's nothing new  
 I exhaust myself searching  
 The world just keeps turning  
 What else can I do  
 I find myself empty and

Refrão:

Face down  
 Having nothing else to cling to  
 But need of love that only you can give  
 Face down  
 Where I know that I belong  
 And I pray with grace that this world sees in me  
 Someone humbled and broken at your feet

Verso 2:

I stand amazed, see the work of your hands  
 Still I don't understand why you would rescue me  
 An empty cross  
 Where you suffered and bled  
 Overcoming my death  
 Recreating me  
 Someone humbled and broken at your feet

With this freedom I will be

Refrão:

Face down  
 Having nothing else to cling to  
 But need of love that only you can give  
 Face down  
 Where I know that I belong  
 And I pray with grace that this world sees in me  
 Someone humbled and broken at your feet

So I'm asking for your help  
 Just can't do this by myself  
 After all, this life's for you and not for me  
 Through your mercy now I see  
 Brokenness is what I need  
 So I'll stay right here at your feet  
 Right here at your feet and

Refrão:

Face down  
 Having nothing else to cling to  
 But need of love that only you can give  
 Face down  
 Where I know that I belong  
 And I pray with grace that this world sees in me  
 Someone humbled and broken at your feet
