

# Casting Crowns - Stained Glass Masquerade

Tom: **D**  
Intro: **G2 D2 A G7M**

Is there anyone that fails  
Is there anyone who's been there

**G7M** Is there anyone that falls **D**  
Are there any hands to raise

am I the only one in church today feelin' so small **Em7**  
am I the only one who's traded **A** in the altar for a stage **G7M**

Cause when I take a look around  
The performance is convincing

Everybody seems so strong **D**  
We know every line by heart

I know they'll soon discover **A**  
Only when no one is watching

That I don't belong **Em7**  
Can we really fall apart

So I tuck it all away, **G7M** like everything's okay **D**  
But would it set me free **A** If I dared to let you see **Bm**

If I make them all believe it, maybe I'll believe it too  
The truth behind the person That you imagine me to be **G7M**

**D** So with a painted grin, I play the part again  
Would your arms be open **A** Or would you walk away **Gb**

So everyone will see me the way that I see them  
Would the love of Jesus Be enough to make you stay

Chorus

Are we happy plastic people **G**

Under shiny plastic steeples **D**

With walls around our weakness **A**

And smiles to hide our pain **G**  
But if the invitation's open

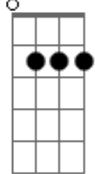

To every heart that has been broken **D**

Maybe then we close the curtain **A**

On our stained glass masquerade **G**
