

Casting Crowns - Stained Glass Masquerade

Tom: D
Intro: G2 D2 A G7M

Is there anyone that fails
Is there anyone who's been there

G7M D
Is there anyone that falls
Are there any hands to raise

A Em7
am I the only one in church today feelin' so small
am I the only one who's traded in the altar for a stage
G7M

Cause when I take a look around
The performance is convincing

D
Everybody seems so strong
We know every line by heart

A
I know they'll soon discover
Only when no one is watching

Em7
That I don't belong
Can we really fall apart

G7M D
So I tuck it all away, like everything's okay
But would it set me free If I dared to let you see
A Bm

If I make them all believe it, maybe I'll believe it too
The truth behind the person That you imagine me to be
G7M

D
So with a painted grin, I play the part again
Would your arms be open Or would you walk away

A Gb
So everyone will see me the way that I see them
Would the love of Jesus Be enough to make you stay

Chorus

G
Are we happy plastic people

D
Under shiny plastic steeples

A
With walls around our weakness

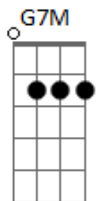

G
And smiles to hide our pain
But if the invitation's open

D
To every heart that has been broken

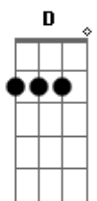

A
Maybe then we close the curtain

G
On our stained glass masquerade
