

Casting Crowns - Stained Glass Masquerade

Tom: **D**
Intro: **G2 D2 A G**

Is there anyone that fails
Is there anyone who's been there

G Is there anyone that falls **D**
Are there any hands to raise

am I the only one in church today **A** feelin' so small **Em**
am I the only one who's traded **G** in the altar for a stage

Cause when I take a look around
The performance is convincing

Everybody seems so strong **D**
We know every line by heart

I know they'll soon discover **A**
Only when no one is watching

That I don't belong **Em**
Can we really fall apart

So I tuck it all away, **G** like everything's okay **D**
But would it set me free If I dared to let you see

If I make them all believe it, maybe I'll believe it too **A** **Bm**
The truth behind the person **G** That you imagine me to be **D**

So with a painted grin, **G** I play the part again **D**
Would your arms be open **A** Or would you walk away **Gb**

So everyone will see me **A** the way that I see them **Gb**
Would the love of Jesus **D** Be enough to make you stay

Chorus

Are we happy plastic people **G**

Under shiny plastic steeples **D**

With walls around our weakness **A**

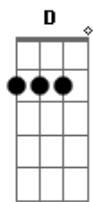

And smiles to hide our pain **G**
But if the invitation's open

To every heart that has been broken **D**

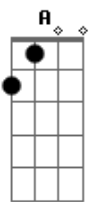

Maybe then we close the curtain **A**

On our stained glass masquerade **G**
