

Cat Power - Cherokee

Tom: G

Never knew love like this
 The wind, moon, the earth, the sky (sky so high)
 Never knew pain like this
 Everything die, (then die)
 Never knew love like this
 The sun, the sea and I
 Never knew pain, never knew shame
 Now I know why

Bury me, marry me to the sky
 Marry, marry me to the sky
 Feels like time is on my time
 Bury me upside down
 Cherokee, kissing me
 When I'm, I'm going down
 Feels like time is on my time
 Bury me upside down
 Cherokee, kissing me

When I'm, I'm going down

Never knew love like this
 The wind, moon, the earth, the sky (sky so high)
 Never knew pain like this
 Everything die, (then die)
 Never knew love like this
 The sun, the sea and I
 Never knew pain, never knew shame
 Now I know why

Bury me, marry me to the sky
 Marry, marry me to the sky
 Feels like time is on my time
 Bury me upside down
 Cherokee, kissing me
 When I'm, I'm going down
 Feels like time is on my time
 Bury me upside down
 Cherokee, kissing me
 When I'm, I'm going down
