

# Cat Power - Cherokee

Tom: G

Never knew love like this  
 The wind, moon, the earth, the sky (sky so high)  
 Never knew pain like this  
 Everything die, (then die)  
 Never knew love like this  
 The sun, the sea and I  
 Never knew pain, never knew shame  
 Now I know why

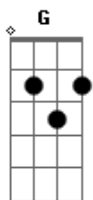

Bury me, marry me to the sky  
 Marry, marry me to the sky  
 Feels like time is on my time  
 Bury me upside down  
 Cherokee, kissing me  
 When I'm, I'm going down  
 Feels like time is on my time  
 Bury me upside down  
 Cherokee, kissing me

When I'm, I'm going down

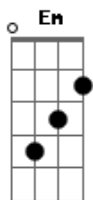

Never knew love like this  
 The wind, moon, the earth, the sky (sky so high)  
 Never knew pain like this  
 Everything die, (then die)  
 Never knew love like this  
 The sun, the sea and I  
 Never knew pain, never knew shame  
 Now I know why

Bury me, marry me to the sky  
 Marry, marry me to the sky  
 Feels like time is on my time  
 Bury me upside down  
 Cherokee, kissing me  
 When I'm, I'm going down  
 Feels like time is on my time  
 Bury me upside down  
 Cherokee, kissing me  
 When I'm, I'm going down
