

Cat Power - Colors And The Kids

Tom: D

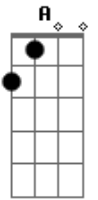

A
It must be the colors and the kids that keep me alive
A
'Cause the music is boring me to death
A
It must just be the colors and the kids that keep me alive
D
'Cause I'd wanna go right away to a January night
A
I built a shack with an old friend
D
He was someone I could learn from
A
Someone I could become
D
Will you meet me down on a sandy beach
A
We can roll up our jeans
D
So the tide won't get us below the knees
A
Yellow hair you are a funny bear
D
A
Yellow hair you are such a funny bear
A
Slender fingers would hold me slender limbs would hold me
D
And you could say my name like you knew my name

A D
I could stay here become someone different
A D
I could stay here become someone better
A D
It's so hard to go in the city
D
'Cause you wanna say hello to everybody
A
It's so hard to go into the city
D
'Cause you wanna say hey I love you to everybody
A D
When we were teenagers we wanted to be the sky
A
Now all we wanna do is go to red places
D
And try to stay outta hell
A D
It must be the colors and the kids that keep me alive
A D
'Cause the music is boring me to death
A D
it must just be the colors and it must just be the kids
A D
That keep me alive on this January night
A D
Yellow hair you are a funny bear
A D
Yellow hair you are such a funny bear
