

# Cat Power - Maybe not

Tom: C

Am C  
 There's a dream that I see, I pray it can be  
 G F  
 Look cross the land, shake this land  
 Am C G F  
 A wish or a command  
 Am C  
 I Dream that I see, don't kill it, it's free  
 G F  
 You're just a man, you get what you can  
 Am C G F  
 We all do what we can  
 Am C G F  
 So we can do just one more thing  
 Am C G F  
 We can all be free  
 Am C  
 Maybe not in words  
 G F  
 Maybe not with a look  
 Am C G F  
 But with your mind  
 Am C  
 Listen to me, don't walk that street  
 G F  
 There's always an end to it  
 Am C  
 Come and be free, you know who I am  
 G F  
 We're just living people  
 Am C G F  
 We won't have a thing  
 Am C G F  
 So we'd got nothing to lose  
 Am C G F  
 We can all be free  
 Am C

Maybe not with words  
 G F  
 Maybe not with a look  
 Am C G F  
 But with your mind  
 Am C  
 You've got to choose a wish or command  
 G F  
 At the turn of the tide, is withering thee  
 Am C  
 Remember one thing, the dream you can see  
 G F  
 Pray to be, shake this land  
 Am C G F  
 We all do what we can  
 Am C G F  
 So we can do just one more thing  
 Am C G F  
 We won't have a thing  
 Am C G F  
 So we've got nothing to lose  
 Am C G F  
 We can all be free  
 Am C  
 Maybe not with words  
 G F  
 Maybe with a look  
 Am C G F  
 But with your mind  
 Am C G F  
 But with your mind  
 We won't have a thing  
 So we've got nothing to lose  
 We can all be free  
 Maybe not with words  
 Maybe with a look  
 But with your mind  
 But with your mind
