

Cat Power - Still In Love

Tom: C

Today I passed you on the street

And my heart fell at your feet

I can't help it

If I am still in love with you

Someone else stood by your side

She looked so satisfied

I can't help it

If I am still in love with you

A picture from the past came slowly stealing

As I brushed your arm, I was so close to you
And suddenly I got that old-time feeling

I can't help it
If I am still in love with you

It's hard to know another's lips kiss you
And hold you just the way I used to do
Oh heaven only knows how much I miss you

I can't help it
If I am still in love with you
