

Cat Power - Still In Love

Tom: C

G C G C
 Today I passed you on the street
 G C G C
 And my heart fell at your feet
 G C
 I can't help it
 G C G C
 If I am still in love with you

G C
 Someone else stood by your side
 G C
 She looked so satisfied
 G C
 I can't help it
 G C G C
 If I am still in love with you

G C G C
 A picture from the past came slowly stealing

G C G C
 As I brushed your arm, I was so close to you
 G C G C
 And suddenly I got that old-time feeling

G C
 I can't help it
 G C G C
 If I am still in love with you

G C
 It's hard to know another's lips kiss you
 G C
 And hold you just the way I used to do
 G C G C
 Oh heaven only knows how much I miss you

G C
 I can't help it
 G C G C
 If I am still in love with you
