Cat Power - The Greatest

```
Tom: C
Intro: C   Am   Em   Em

C          Am               Em
Once I wanted to be the greatest
C             Am               Em
No wind of waterfall could stall me
    F                 Dm
And then came the rush of the flood
G
Stars of night turned deep to dust

            C
Melt me down
       Am                    Em
Into big black armour
         C          Am
Leave no trace of grace
                    Em
Just in your honour
          C
Lower me down
     Am                 Em
To culprit south

Make 'em wash a space in town
          F
For the lead
        Dm
And the dregs of my bed
           G
I've been sleepin'
                F
Lower me down
        Dm
Pin me in
              G
```

```
Secure the grounds
                    C       Am      Em
For the later parade

C          Am               Em
Once I wanted to be the greatest
C             Am      Em
Two fists of solid rock
C                 Am
With brains that could explain
         Em
Any feeling
                F
Lower me down
          Dm
Pin me in
            G
Secure the grounds
             F
For the lead
          Dm
And the dregs of my bed
               G
I've been sleepin'
                C    Am     Em
For the later parade
