Tom: C

Love me, love me <sup>Am</sup> Say you do <sup>C</sup>  
 Let me fly away <sup>Am</sup> With you <sup>C</sup>  
 We're creatures of the <sup>Am</sup> wind <sup>C</sup>  
 Wild <sup>Am</sup> is the wind <sup>C</sup>  
  
 Give me more than one <sup>Am</sup> grasp <sup>C</sup>  
 To satisfy this hungryness <sup>Am</sup>  
 We're creatures of <sup>Am</sup> the wind <sup>C</sup>  
 Wild <sup>Am</sup> is the wind <sup>C</sup>  
  
 You <sup>Am</sup> touch me <sup>C</sup>  
 I hear the sound of mandolines <sup>Am</sup>

You <sup>C</sup> kiss me  
 With your kiss my <sup>Am</sup> life begins <sup>C</sup>  
 Like a leaf clings to <sup>Am</sup> a tree <sup>C</sup>  
 Baby please cling to me <sup>Am</sup>  
 We're creatures of the wind <sup>Am</sup>  
 Wild <sup>Am</sup> is the wind <sup>C</sup>  
  
 You <sup>Am</sup> touch me <sup>C</sup>  
 I hear the sound of mandolines <sup>Am</sup>  
 And your <sup>Am</sup> kiss me <sup>C</sup>  
 With your kiss my <sup>Am</sup> life begins <sup>C</sup>  
  
 Love me, love me <sup>Am</sup> Say you do <sup>C</sup>  
 Let me fly away <sup>Am</sup> With you <sup>C</sup>
