It's not time to make a change, just relax and take it easy
You're still young that's your fault, there's so much you have to know
Find a girl, settle down, if you want, you can marry
Look at me, I am old, but I'm happy
I was once like you are now, and I know that it's not easy
To be calm when you've found something going on
But take your time, think a lot, why think of everything you've got
For you will still be here tomorrow, but your dreams may not

How can I try to explain? 'cause when I do he turns away again I know I have to go

It's always been the same, same old story
From the moment I could talk I was ordered to listen
Now there's a way, and I know that I have to go away
I know I have to go

It's not time to make a change, just sit down and take it slowly
You're still young, that's your fault, there's so much you have to go through
Find a girl, settle down, if you want you can marry
Look at me, I am old, but I'm happy

All the times that I've cried, keeping all the things I knew inside

It's hard, but it's harder to ignore it
If they were right, I'd agree, but it's them they know, not me
Now there's a way, and I know that I have to go away
