

Catarina Von Bora - Margarida, a Moça do Palácio

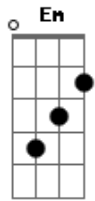

tom:

Seu candieiro, ela acendeu
 Varreu a casa, procurou
 Não desistiu e encontrou
 É festa, convidou
 Eita mulher, que força tem
 E o teu temor pertence a quem?
 Guardou em casa o pregador

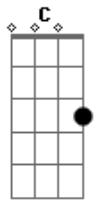

Abrigo e força deu

(Pela fé)
 Salvação não vem de nós
 (Pela fé)
 Não temer a outra voz
 Meu Deus é maior que o rei
 Bem antes do trono que ocupei
 Existo, eu também falei
 Salvação, pela fé!
 (Não por obras, só por fé)
