

# Cate - Stupid

tom:  
E (forma dos acordes no tom de D )  
Capostrate na 2ª casa

Always talkin' 'bout golf, you know I hate it  
You really know the way to test my patience  
And maybe I should remember that  
And it's embarrassing, it's been a couple months  
All this time and I still don't know what I want  
But I'm kinda bored, I could call you up  
And 99 percent of the time, I don't miss you  
And I swear I'm doing alright  
99 Percent of the time, but it's different tonight  
Yeah, it's different tonight

It's only gonna take one push to knock me over  
One small text and I'll be under you

And I know it's what I shouldn't do  
But I'm stupid and I want to  
Run to yours when I get lonely  
Break my rules to touch your body  
Mmm, and I know it's what I shouldn't do  
But I'm stupid and I want to

Hit you up to make sure that I'm on your mind  
Tell you that I'm having such a good time  
But really, I'm just drinking too much red wine

And it's not that I don't want you to be happy  
It's just that I get a little jealous

If you're out and I see you  
And it's not me that's with you, I get a little hellish

It's only gonna take one push to knock me over  
One small text and I'll be under you

And I know it's what I shouldn't do  
But I'm stupid and I want to  
Run to yours when I get lonely  
Break my rules to touch your body  
Mmm, and I know it's what I shouldn't do  
But I'm stupid and I want to

And 99 percent of the time, I don't miss you  
And I swear I'm doing alright  
99 Percent of the time, but it's different tonight  
Yeah, it's different tonight

It's only gonna take one push to knock me over  
One small text and I'll be under you

And I know it's what I shouldn't do  
But I'm stupid and I want to  
Run to yours when I get lonely  
Break my rules to touch your body  
Mmm, and I know it's what I shouldn't do  
But I'm stupid and I want to

And 99 percent of the time, I don't miss you  
And I swear I'm doing alright  
99 Percent of the time, but it's different tonight  
Yeah, it's different tonight
