

# Catedral - I Will Love You

Tom: C  
Intro: C Am Dm G

Turn on the light  
Look inside yourself  
There's a place in the world for us  
A chance that we never trust  
Give me your hand  
Feel the air tonight  
I just want to be here with you

For the grace of God  
I love you  
Always, I will love you  
And I know what I mean  
My Lord gave to me  
Forever my love is you
