It gets difficult to talk, when you nearly deafen me cause  
you start laughing

C B7 Em  
But if it means that we get through

Em D  
And though you'll mix up every detail, of every story that  
you're ever gonna tell me

But if it means that we get through

Em D  
Y?know I never wanna trouble you, when you're working so I  
always try to wait

C B7 Em  
But if it means that we get through

Em D  
And when we drink it just gets funnier, and to be honest I  
don't mind us drunk
