

Catfish And The Bottlemen - Asa

Tom: G

When our minds ^{Am} are crushing

You ring me up

And say baby I'm alone

And I've got ideas

Won't you please come and pick me up? ^{F F F F}

And we'll disappear from town ^{Am}

There's a little place I've found

By my work ^F

It's down by the Mersey

She tried to show me how much she missed me ^{Am F F F F}

And I said please, honey save it? ^{G Am F}

Cause? I just want to know, how you feel, about us ^{Am C G F}

Please, honey save it ^{Am C G F}

And I, just want to know where you spent last night!

I bet you didn't recall the night where we start ^{Am}

And you led me on, and they all went out ^D

Without us, and we stayed back and rumbled ^{Am D}

You with your misleading tattoos ^{Am}

And your New York City style ^D

And your Jackie Ryan soul ^{Am D}

And she said please, honey save it ^{F C G}

Cause I never meant for it to get this good ^{F C Am}

I just want to know, how you feel, about us ^{C G F}

And I, just want to know where you spent last night ^{Am C G}

I just want to know how you think about him ^{Am C G F}

When you're with me, or that you do him good, she said ^{Am C G F F}

Please, honey save it ^{G Am F}
