

# Catfish And The Bottlemen - Asa

Tom: G

When our minds <sup>Am</sup> are crushing

You ring me up

And say baby I'm alone

And I've got ideas

Won't you please come and pick me up? <sup>F F F F</sup>

And we'll disappear from town <sup>Am</sup>

There's a little place I've found

By my work <sup>F</sup>

It's down by the Mersey

She tried to show me how much she missed me <sup>Am F F F F</sup>

And I said please, honey save it? <sup>G Am F</sup>

Cause? I just want to know, how you feel, about us <sup>Am C G F</sup>

Please, honey save it <sup>Am C G F</sup>

And I, just want to know where you spent last night!

I bet you didn't recall the night where we start <sup>Am</sup>

And you led me on, and they all went out <sup>D</sup>

Without us, and we stayed back and rumbled <sup>Am D</sup>

You with your misleading tattoos <sup>Am</sup>

And your New York City style <sup>D</sup>

And your Jackie Ryan soul <sup>Am D</sup>

And she said please, honey save it <sup>F C G</sup>

Cause I never meant for it to get this good <sup>F C Am</sup>

I just want to know, how you feel, about us <sup>C G F</sup>

And I, just want to know where you spent last night <sup>Am C G</sup>

I just want to know how you think about him <sup>Am C G F</sup>

When you're with me, or that you do him good, she said <sup>Am C G F F</sup>

Please, honey save it <sup>G Am F</sup>

## Acordes
