

# Catfish And The Bottlemen - Cocoon

Tom: B  
Intro: Abm B E

I fell straight  
Into your arms  
Like a drunk  
Who's been on it  
All morning  
And the sun's up  
And my head's fucked

And immediate-  
-ly I grabbed you  
You go all red  
Like the first time  
I love it when you do that  
Gotta love it when you do that

(Abm E B Gb )

I remember when we  
Swapped names and I thought maybe  
You'd stay and try to out-drink me  
Your friends, all hate it!

Abm E B Gb  
(E B Gm Gb )

Fuck it if they talk  
Fuck it if they try and get to us  
Cause I'd rather go blind  
Than let you down

(G#m, B, E )  
I cocoon  
Round your shoulders  
When you're half cut  
And you're frozen  
And you've got that visible breathin'  
You're depending on me again

(Abm E B Gb )

I remember when we  
Swapped names and I thought maybe  
You'd stay and try to out-drink me  
Your friends, all hate it!

Your friends, all hated it  
(E, B, Gm, Gb )  
Fuck it if they talk  
Fuck it if they try and get to us  
Cause I'd rather go blind  
Than let you down  
Fuck it if they talk  
Fuck it if they try and get to us  
Cause I'd rather go blind  
Than let you down

(E Abm Gb )

And if you wanna track down and pose as positive  
Cops won't kill from relatives  
Rest on me,  
Honey, that's all right  
And if you wanna act more drunk than usual  
To help you get away with more than  
Rest on me,  
Honey, that's all right  
Gb  
Honey, that's all right

You're daft but

(E B Gm Gb )

Fuck it if they try and get to us  
Cause I'd rather go blind  
Than let you down
