

# Catfish And The Bottlemen - Soundcheck

Tom: C

Maybe I don't act the way I used to  
 Because I don't feel the same about you  
 In fact, that's a lie, I want you  
 I raced through soundcheck  
 Just to meet you on your fag break  
 And you convinced me  
 To put life aside and want you  
 If only for the sake of it I could chill you out  
 And drive us through the night to your sister's  
 You can fall asleep with my jacket as a cover  
 And wake up just to join me to smoke  
 I wanted everything at once  
 Until you blew me out my mind  
 Now I don't need nothing  
 ?  
 Maybe I don't act the way I used to  
 Because I don't feel the same about you  
 In fact, that's a lie, I want you  
 If only for the sake of it I could chill you out

And drive us through the night to your sister's  
 You can fall asleep with my jacket as a cover  
 And wake up just to join me to smoke  
 I wanted everything at once  
 Until you blew me out my mind  
 Now I don't need nothing  
 We'll be talking about your background  
 And how it never left you much  
 Because you grew up in a small town  
 You'll appreciate it more  
 When you're done figuring your life out  
 And everything's fine  
 I raced through soundcheck  
 Just to meet you on your fag break  
 And you convinced me  
 To put life aside and want you  
 I wanted everything at once  
 Until you blew me out my mind  
 Now I don't need nothing
