[Primeira Parte]

There was a time that I was blind, couldn't see at all  
But then You came into my life and opened my eyes  
I began to see things brighter than it used to be  
Even since You came into my life, this happened to me

( G C Am )  
( G C Am D )

[Terceira Parte]

There was a time that I was unable to walk alone  
Fear took me over, I couldn't move along  
But then You came into my life and took the weight off  
Over my shoulders with You on the cross

I wish everyone knew the loving God You are  
You've made Yourself free and at hand to all  
We just gotta believe, how hard can it be?  
You just gotta believe and He will set you free  
I wish everyone knew the loving God You are  
You've made Yourself free and at hand to all  
We just gotta believe, how hard can it be?  
You just gotta believe and He will set you free

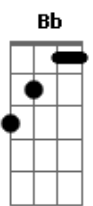

[Segunda Parte]

There was a time that I was deaf, couldn't hear at all  
But then You came into my life and I could hear Your words of love  
Through Your words, You spoke to me and healed me inside  
Then suddenly all disappeared, my deception and pride, yeah

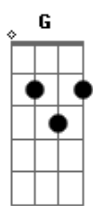

[Refrão]

I wish everyone knew the loving God You are
