

# Catherine McGrath - Don't Let Me Forget

Tom: C

apotraste na 2ª casa [Intro] C Am F

Today is one of those I wish that I could frame

Or keep it on a video, replay it over and over

Just replay it over and over

Cause right now

I'm feeling like I'm walking on a cloud

But I know what's up's gotta come down sooner or later

Will I come down sooner or later?

[Pré-Refrão]

I don't know what tomorrow's gonna bring

But can you promise me one thing?

[Refrão]

Don't let me forget

Your hand in mine, the firefly drives

The time I fell asleep and you carried me inside

Kissed my head and said goodnight

When we were sparks, just the start

Our naive hearts had never felt that kinda fire

That you and I were playing with

So don't let me forget, mmm mmm

So don't let me forget, mmm mmm

One day the sound of you saying my name

Won't make my heart stop in the same way

That it used to so remind me how we used to

Stay up late, sing those songs

That made us feel invincible when we were together

I always wanna remember

[Refrão]

Don't let me forget

Your hand in mine, the firefly drives

The time I fell asleep and you carried me inside

Kissed my head and said goodnight

When we were sparks, just the start

Our naive hearts had never felt that kinda fire

That you and I were playing with

So don't let me forget, mmm mmm

So don't let me forget, mmm mmm

[Ponte]

I don't know what tomorrow's bringing

All I know is I don't wanna lose this feeling

[Refrão]

Don't let me forget

Your hand in mine, the firefly drives

The time I fell asleep and you carried me inside

Kissed my head and said goodnight

When we were sparks, just the start

Our naive hearts had never felt that kinda fire

That you and I were playing with

So don't let me forget, oh
