

Catherine McGrath - She'll Never Love You

Tom: C

apotraste na 2ª casa G
 You, were the love that filled my heart Em

The remedy to fix my scars C
 For life, until the end of time D G
 I, fell for every single word Em
 Lost inside your crazy world C
 I was yours but you were never mine D G

When you're lying there Am Em
 Are you looking at her while you're thinking 'bout me? D
 'Cause it can't compare to what we should've been Am Em D

She'll never love you like I loved you, baby G
 She'll never touch you like I touched you, baby D
 Could've held my heart inside your hands Em
 But you took that chance away D C
 Does she know you like I know you, baby? D G
 Does she hold you like I held you, baby? D
 Could've held my heart inside your hands Em
 But you took that chance away D C
 She'll never love you like me G
 I, must've tried a million times Em
 Tried to keep this thing alive C

But you had a different plan D G
 You took, every piece of me you could Em
 Just another stamp inside your book C
 Now I, now I understand D G
 When you're lying there Am Em
 Are you looking at her while you're thinking 'bout me? D
 'Cause it can't compare to what we should've been Am Em D

She'll never love you like I loved you, baby G
 She'll never touch you like I touched you, baby D
 Could've held my heart inside your hands Em
 But you took that chance away D C
 Does she know you like I know you, baby? D G
 Does she hold you like I held you, baby? D
 Could've held my heart inside your hands Em
 But you took that chance away D C
 She'll never love you like me, me, me C G
 She'll never love you like me, me, me Em G
 She'll never love you like me, me, me D C G
 She'll never love you like me D
 When you're lying there Am Em
 Are you thinking 'bout me? D
