

Catie Turner - God Must Hate Me

tom:
 [Primeira Parte]
 Do you ever see someone and think
 Wow God must hate me
 'Cause he spent so much time on them
 And for me, he got lazy
 [Pré-Refrão]
 Got ample mental illness
 Personality flaws
 While their only flaw seems to be
 Is that they have none at all
 Do you ever see someone and think
 Wow God must hate me
 [Refrão]
 I'll let them take accountability
 For everything that's wrong with me
 Can't hold myself responsible
 So I blame the metaphysical
 If Jesus died for all our sins
 He left one behind the body I'm in
 Same hands that made the Moon and the stars
 Got carpal tunnel and forgot some parts
 I don't know what I believe
 But it's easier to think
 He made a mistake with me
 (D Gb G)

[Segunda Parte]

Acordes

Do you ever see someone and think
 Wow they got lucky
 The craftsmanship of their bones
 Their brain, and their body
 [Pré-Refrão]
 When I look into the mirror for too long it hurts
 They don't track how many steps
 It takes to burn off dessert
 Do you ever see someone and think
 Wow they got lucky
 [Refrão]
 I'll let them take accountability
 For everything that's wrong with me
 Can't hold myself responsible
 So I blame the metaphysical
 If Jesus died for all our sins
 He left one behind the body I'm in
 Same hands that made the Moon and the stars
 Got carpal tunnel and forgot some parts
 I don't know what I believe
 But it's easier to think
 He made a mistake with me
 [Final]
 Do you ever see someone and think
 Wow God must hate me
 'Cause he spent so much time on them
 And for me, he got lazy
