 Olhai,/ olhai,/ Senhora,/ as flores que ofereço,/ olhai,/

olhai!

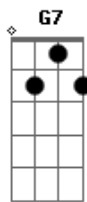

Olhai as flores,/ Senhora,/ que eu consegui cultivar,  
 Que trouxe a vosso altar,/ olhai as flores,/ Senhora./  
 Assim bonitas,/ Senhora,/ assim vermelhas e brancas,  
 Agora bentas e santas,/ olhai as flores,/ Senhora.  
 Olhai as flores,/ Senhora,/ quando eu preciso comprar,  
 Por não saber cultivar,/ olhai as flores,/ Senhora./  
 Mas sou feliz,/ ó Senhora,/ porque plantaram pra mim/  
 Rosas,/ violetas,/ jasmim,/ olhai as flores,/ Senhora.  
 Olhai as flores,/ Senhora,/ enquanto eu faço um pedido,  
 Preciso ser atendido,/ olhai as flores,/ Senhora./  
 Levai as flores,/ Senhora,/ a nosso Deus lá no céu,  
 O vosso Deus e o meu,/ levai as flores,/ Senhora.

G7 G C F C Am Dm

 Levai,/ levai,/ Senhora,/ as flores que ofereço,/ levai,  
 levai!
