tom:

Intro: C G C

Atenção galera do céu

Preparar todos com mãos e pés vibrando

Cadeiras travadas, caretas engraçadas

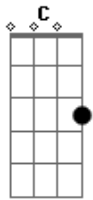

Juntos para o céu e que nós vamos

Começa a subir, braços pra cima

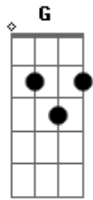

Continua subindo, subindo sem parar

Na beira da decida nós vamos chegar

Chegar... Chegou!

Pra direita poder de Deus

Esquerda amor de Deus

Para o céu nós vamos voar

Pra direita poder de Deus

Esquerda amor de Deus

Lá no céu nos vamos chegar
