

Católicas - Autor da Nossa Vida

tom:

1. Autor da nossa vida, o Cristo Luz do mundo!
Do seio do Eterno baixou ao mais profundo
Os anjos testemunham do céu amor fecundo!

Nós vos reconhecemos, ó Verbo encarnado!
À luz da vossa face nós fomos recriados!

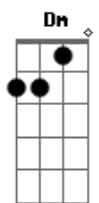

2. Nas terras deste mundo, do céu os mensageiros
Proclamam, sem reservas, que Deus ao mundo veio
Corramos, povos todos, à mesa do Cordeiro!

3. Pastores receberam do céu as alegrias
E foram, sem demora, buscar a Luz do Dia
Enfim, a encontraram nos braços de Maria!

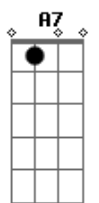

4. Belém é a cidade do povo peregrino
De quem buscou a Vida nos olhos de um Menino
A Luz venceu a noite em brilho matutino!

5. O jugo que oprimia os povos desta terra
Por Cristo é destruído no dom que tudo encerra
Amor vitorioso, pois nada o emperra!
