

Católicas - Dá-nos a Bênção, o Virgem Mãe,

Tom: A

Dá-nos a bênção, o virgem mãe,
 Penhor seguro do sumo bem.

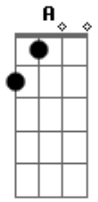

Dá-nos a bênção, o virgem mãe,
 Penhor seguro do sumo bem.

Tu és a rosa do puro amor,

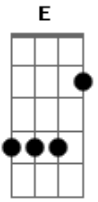

Suave exalando celeste odor.
 Até dos lírios o resplendor,
 Se perde em vista do teu fulgor.

E da humildade a meiga flor,
 O teu ornato, mãe do senhor.
 És nossa vida, és nossa luz,
 O mãe querida do bom Jesus.
