

# Católicas - Do Céu Vai Descer o Cordeiro

tom:

Gm

Do céu vai descer o cordeiro!

É dom, puro dom, salvação!

No altar do penhor verdadeiro

Também vamos ser oblação

[Refrão]

Eis, senhor, a tua vinha. frutos mil te traz, senhor

Mas teu povo que caminha, mais que fruto é dom de amor!

Na terra já brota a esperança

E a graça de deus vem dizer

Que o povo da nova aliança

Também oferenda vai ser

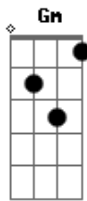

Irmãos na fé viva exultante

Partilham o pão sempre mais

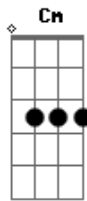

E campos já mais verdejantes

Também já se tornam trigais!
