

Católicas - Em Tua Mesa Quero Por

Tom: D
Intro: D G A D A

As sementes que me deste, que não eram pra guardar,
pus no chão da minha vida, quis fazer frutificar.

Refrão 2x:
Dos meus dons que recebi pelo Espírito do amor,
trago os frutos que colhi e em tua mesa quero pôr.

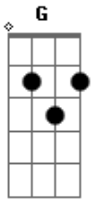

Pelos campos deste mundo, quero sempre semear
os talentos que me deste, para eu mesmo cultivar.
(Refrão)

Quanto mais eu for plantando, mais terei para colher;
quanto mais eu for colhendo, mais terei a oferecer.
(Refrão)
