tom:

A

A

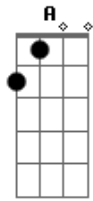

Dbm

Nossa Senhora das Águas
 Luz que a esperança lumia
 Rainha das ribanceiras
 Mãe nossa de cada dia
 Nossa Senhora das Flores
 Nossa fé e nossa guia
 Mãe da imensa Amazônia
 Mãe nativa mãe Maria
 Maria mãe do mateiro
 Do caboclo pescador
 Do sofrido seringueiro
 Do esquecido lavrador
 Mãe do índio destribado

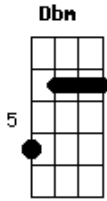

A7 Dm
 Dos que sofrem neste chão
 Mãe da Amazônia e do povo
 Que clama libertação

Nossa Senhora das Luzes
 Madrinha da ecologia
 Dai ao homem predador juízo
 E sabedoria
 Nossa Senhora Cabocla
 Mãe de Jesus curumim
 És a rainha da paz, dessa paz
 Que habita em mim
 Rogai por nossa Amazônia pra
 Que nunca tenha fim
