

# Católicas - Ó Mãe da Esperança Prometida

Tom: A

Ó Mãe da Esperança prometida, conduzi os vossos filhos para o céu. Fazei que nas trevas desta vida, resplandeça a luz de Cristo, a luz de Deus.

- Apareceu no Céu grande sinal, raiou para o mundo a esperança. Entre Deus e o homem

afinal, surgiu a nova Arca da Aliança. (Ref)

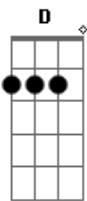

- Uma mulher de estrelas coroada, vestida de sol no Céu brilhava. Era nossa potente advogada, era a senhora que o mundo esperava. (Ref)

- O Vosso filho Jesus ressuscitado, com glórias e poder virá de novo. Ele veio pagar nossos pecados, Ele virá reunir enfim seu povo. (Ref)
