

# Católicas - Wonderful Day

Tom: F

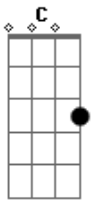

In this happy Day Christ baptized you  
 He anointed you in God's way  
 Our church grows With you too  
 Your parents and friends  
 With your baptism are glad  
 Your godmother and godfather  
 In God's name bless you ever

Around the font our great party  
 Our faith is grounded in the Trinity  
 Wonderful day in our life  
 God be with you, in your side  
 Peace and happiness is our prayer  
 Wonderful day in our life  
 God be with you in your side  
 Your dreams and life God bless forever
